NOMINATION FEE & DEADLINE

POSTMARKED BY JANUARY 21, 2012 - \$600

FROM JANUARY 22 THROUGH MARCH 24, 2012 - \$6,000

THE TRIPLE CROWN®

Nominations to each and all of the Triple Crown races, being The Kentucky Derby, The Preakness Stakes and The Belmont Stakes (collectively the "Races" and individually a "Race") may be made by payment of a single nomination fee to Churchill Downs Incorporated, as agent for Churchill Downs Incorporated, The Maryland Jockey Club of Baltimore City, Inc. and The New York Racing Association, Inc. (the "Association" or "Associations" as the case may be). The nomination fee for nominations postmarked or hand delivered, as provided below, or entered via the Internet at www.thetriplecrown.com, by January 21, 2012, is \$600. The nomination fee for nominations postmarked or hand delivered, as provided below, or entered via the Internet, as provided above, from January 22 through March 24, 2012, is \$6,000. Horses nominated on or before March 24, 2012, shall be considered original nominees ("Original Nominees"). At any time after March 24, 2012, but prior to the Closing for The Kentucky Derby®, as defined below, additional nominations to all three Races may be made upon payment of a supplementary fee of \$200,000 to Churchill Downs Incorporated. Following the running of The Kentucky Derby, horses may be nominated at any time prior to Closing for The Preakness Stakes®

or The Belmont Stakes® (time of Closing being defined below). The supplementary fee payable for such nomination shall be \$100,000 payable to The Maryland Jockey Club of Baltimore City, Inc. for supplemental nomination to The Preakness Stakes and The Belmont Stakes or \$100,000 payable to The New York Racing Association, Inc. for supplemental nomination to The Belmont Stakes only. If the supplementary fee is refunded due to the exclusion of a horse from a Race, then the nomination of such horse for any subsequent Race(s) shall also be invalidated. All supplemental fees will be included in the purse distribution for the Race run by the Association to which the supplemental nomination is paid, unless otherwise specified in the specific Race rules below. The ability of horses nominated by payment of the foregoing supplementary fees ("Supplemental Nominees") to enter any Race will be determined in accordance with the conditions of that Race. All nominees, original, supplemental or otherwise, will be required to pay the applicable entry and starting fees for the Race or Races in which they participate before they may start.

138th Running of

THE KENTUCKY DERBY®

\$2,000,000 GUARANTEED MINIMUM GROSS (GRADE I)

To Be Run Saturday May 5, 2012 • One Mile and a Quarter

For three-year-olds, with an entry fee of \$25,000 each and a starting fee of \$25,000 each. A minimum \$500 jockey mount fee will apply to starters that finish beyond third place. Supplemental nominations may be made upon payment of \$200,000 and in accordance with the rules set forth herein. All fees, including supplemental nominations, in excess of \$900,000 in the aggregate shall be paid to the winner. Churchill Downs Incorporated ("CDI") shall guarantee a minimum gross purse of \$2,000,000 (the "Guaranteed Purse"). The winner shall receive \$1,240,000, second place shall receive \$400,000, third place shall receive \$200,000, fourth place shall receive \$100,000 and fifth place shall receive \$60,000 from the Guaranteed Purse (the "Guaranteed Purse" to each place to be divided equally in the event of a dead heat). Starters shall be named through the entry box on Wednesday, May 2, 2012, at 10:00 am Eastern Daylight Time (the "Closing"). CDI, in its sole and absolute discretion, may set the number of starters up to a maximum of twenty (20) and the number of horses that are also-eligible to start up to a maximum of four (4). Colts and Geldings shall each carry a weight of one hundred twenty six (126) pounds; Fillies shall each carry one hundred twenty one (121) pounds. Supplemental Nominees will be allowed to enter but will not have preference over any Original Nominee and will not be allowed to start the Race if the maximum number of starters has otherwise been reached by Original Nominees prior to the Closing. If the number of nominees exceeds the number of available starting positions and also-eligible positions set by CDI (the "Number of Starting and AE Positions") at the Closing, these conditions shall be applied to determine which nominees will be allowed to start and which nominees will be designated as also-eligible to start. In the event that more than the Number of Starting and AE Positions pass through the entry box at the Closing, the starters and also-eligible horses shall be determined at the Closing from Original Nominees first, then Supplemental Nominees if starting and/or also-eligible positions are still available, with preference given to those horses that have accumulated the highest earnings in Graded Stakes races, including all monies actually paid for performance in such Graded Stakes races. For purposes of this preference, the Graded status of each race shall be the Graded (or Group) status assigned to the race by the International Cataloguing Standards Committee in Part I of the International Cataloguing Standards as published by The Jockey Club Information Systems, Inc. each year. Notwithstanding the foregoing, CDI may, at its sole discretion, allocate one or more starting and/or also-eligible positions or otherwise give preference to winners of a designated race or races provided, however, that any such designated race or races may not include restrictive

provisions relative to which a horse may enter such race or races, other than by sex or age. Should additional horses be needed to bring the field to the Number of Starting and AE Positions, the remaining starters and also-eligible horses shall be determined at the Closing with preference given to those horses that have accumulated the highest earnings in non-restricted sweepstakes. For purposes of this preference, a "non-restricted sweepstakes" shall mean those sweepstakes whose conditions contain no restrictions other than that of age or sex. In the case of ties resulting from preferences or otherwise, the additional starter(s) and/or also-eligible horses shall be determined by lot. Any horse excluded from running because of the aforementioned preference(s) shall be refunded the \$25,000 entry fee and the \$200,000 supplemental fee, if applicable. After the Closing, CDI shall designate in order of preference the nominees that are also-eligible to start in accordance with these conditions ("Also Eligible Horses"). If a starter is scratched from the Kentucky Derby before 9:00 a.m. (Louisville, KY time) on Friday, May 4, 2012 ("Scratch Deadline"), then the Also Eligible Horse with the highest preference (if any) as determined by these conditions shall become a starter. All starters and Also Eligible Horses must be stabled at Churchill Downs by Thursday, May 3, 2012. Post positions shall be determined by a nontransferable lot number being drawn for each horse named as a starter at the Closing. The lot number drawn for each starter shall determine the post position of such starter. Horses having common ties through ownership or training shall each be treated separately for purposes of determining post position. In the event of one or more scratches after the determination of post positions and prior to the Scratch Deadline, then (i) starters with post positions higher than the post position of the scratched starter will be moved to the next lowest empty post position (i.e., toward the inside rail of the race track) and (ii) the Also Eligible Horse that becomes a starter (if any) will receive the lowest post position available after the post positions of the other starters have been moved as provided above. In the event of one or more scratches after the Scratch Deadline, no Also Eligible Horses will be permitted to start and the post positions shall be moved, without changing the order of the starters, as determined by the stewards and CDI to be in the best interests of the safety of the race participants. Post positions shall be moved for each scratch that occurs so that there are no empty post positions in-between horses at the start of the Kentucky Derby. Detailed rules governing the post position draw process are available from the Racing Secretary's office and will be distributed prior to the Closing. These rules shall control. The owner of the winner of the Race shall receive a gold trophy.

137th Running of THE PREAKNESS STAKES®

\$1,000,000 GUARANTEED (GRADE I)

To Be Run Saturday May 19, 2012

One Mile and a Three-Sixteenths

For three-year-olds, \$10,000 to pass the entry box, starters to pay \$10,000 additional. Supplemental nominations may be made in accordance with the rules, upon payment of \$100,000, 60% of the purse to the winner, 20% to second, 11% to third, 6% to fourth and 3% to fifth. Weight 126 pounds for Colts and Geldings, 121 pounds for Fillies. Starters to be named through the entry box on Wednesday, May 16, 2012, by the usual time of closing (the "Closing"). The Preakness field will be limited to fourteen (14) starters and the number of horses that are also-eligible to start up to a maximum of two (2) and shall be determined on the day of the Closing. If more than fourteen (14) horses and also-eligible positions are properly nominated and pass through the entry box by the Closing, the starters will be determined at the Closing with the first seven (7) horses given preference by accumulating the highest lifetime earnings in Graded Stakes. The graded status of each race shall be the graded status assigned to the race by the International Cataloguing Standards Committee in Part 1 of the International Cataloguing Standards as published by The Jockey Club Information Systems, Inc. each year. The next four (4) starters will be determined by accumulating the highest lifetime earnings in all "non-restricted" stakes, which means those stakes whose conditions contain no restrictions other than that of age or sex. The remaining five (5) starters and also-eligibles shall be determined by accumulating the highest lifetime earnings in all races. Should this preference produce any ties, the additional starter(s) and/or also-eligibles shall be determined by lot. In application of the foregoing rule, each horse will be separately considered without regard to identity of its owner and no distinction will be made between Original Nominees and Supple-

mental Nominees. The foregoing conditions notwithstanding, no horse which earns purse money in The Kentucky Derby shall be denied the opportunity to enter and start in The Preakness Stakes. If a starter is scratched from The Preakness before 9:00 a.m. (Baltimore, MD time) on Friday, May 18, 2012 ("Scratch Deadline"), then the Also-Eligible Horse with the highest preference (if any) as determined by these conditions shall become a starter. Post positions shall be determined by a nontransferable lot number being drawn for each horse named as a starter at the Closing. The lot number drawn for each starter shall determine the post position of such starter. Horses having common ties through ownership or training shall each be treated separately for purposes of determining post position. In the event of one or more scratches after the determination of post positions, then (i) starters with post positions higher than the post position of the scratched starter will be moved to the next lowest empty post position (i.e., toward the inside rail of the race track) and (ii) if a scratch occurs prior to the Scratch Deadline, the Also-Eligible Horse that becomes a starter (if any) will receive the lowest post position available after the post positions of the other starters have been moved as provided above. Post positions shall be moved for each scratch that occurs so that there are no empty post positions in-between horses at the start of The Preakness. If the above rules described result in the exclusion of any horse and/or also-eligible, the \$10,000 entry fee and any supplementary fee paid to The Maryland Jockey Club of Baltimore City, Inc., if applicable, will be refunded to the owner of such horse. A replica of the Woodlawn Vase will be presented to the winning owner to remain his or her personal property.

144th Running of THE BELMONT STAKES®

\$1,000,000 (GRADE I)

To Be Run Saturday June 9, 2012

One Mile and a Half

For three-year-olds, \$10,000 to pass the entry box and \$10,000 additional, to start. At any time prior to the closing time of entries, horses may be nominated to The Belmont Stakes upon payment of a supplemental fee of \$100,000 to The New York Racing Association, Inc. All entrants will be required to pay entry and starting fees; but, no fees, supplemental or otherwise, shall be added to the purse. The purse for The Belmont Stakes shall be one million dollars (\$1,000,000.00) divided as follows: sixty percent (60%) to the winner, twenty percent (20%) to the second place winner, eleven percent (11%) to the third place winner, six percent (6%) to the fourth place winner, and three percent (3%) to the fifth place winner. Colts and Geldings, 126 lbs. Fillies, 121 lbs. Starters to be named at the closing time of entries. The Belmont field will be limited to sixteen (16) starters. In the event more than 16 entries pass through the entry box at the closing, the starters will be determined at the closing with the first eight (8) starters given preference by accumulating the highest earnings in Graded Sweepstakes at a mile or over. For purposes of this preference, the graded status of each race shall be the Grade assigned by the International Cataloguing Standards Committee

in Part 1 of The International Cataloguing Standards as published annually by The Jockey Club Information Systems, Incorporated. The next five (5) starters will be determined by accumulating the highest earnings in all non-restricted sweepstakes. "Non-restricted sweepstakes" shall mean those sweepstakes whose conditions contain non-restrictions other than age or sex. The remaining three (3) starters shall be determined by accumulating the highest earnings in all races. Should this preference produce any ties, the additional starter(s) shall be determined by lot (Original Nominees preferred). If the rules described result in the exclusion of any horse, the \$10,000 entry fee and any supplementary fee paid to The New York Racing Association, Inc., if applicable, will be refunded to the owner of said horse. The above conditions notwithstanding, any horse, which earns purse money in either The Kentucky Derby or The Preakness Stakes, shall be included in the initial eight (8) starters of The Belmont Stakes. The winning owner will be presented with the August Belmont Memorial Cup, to be retained for one year, as well as a trophy for permanent possession and trophies to the winning trainer and jockey.

TRIPLE CROWN® 2012 CONDITIONS

1. General.

Entries to the Races are received only upon the condition that the Applicant will comply with the rules and regulations governing Thoroughbred horse races adopted by the state where each Race is run and the rules and regulations of each Association and will comply with and abide by any decision of the state racing officials and/or the officers of the Association regarding the interpretation and application of such rules and regulations. To the extent of any inconsistency between these conditions and the rules and regulations of the state regulatory agency in the state in which a Race is run, such rules and regulations shall control in that state for the Race. By nominating a horse (regardless of the method by which such nomination is made by Applicant or accepted by the Association), the Applicant consents and agrees to these conditions, all provisions of each Association's current application, entry form, condition book, conditions and/or other application or agreement regarding the use of stall space (collectively, the "Stall Agreement"), the terms of which are specifically incorporated herein by reference, and upon request shall execute all such applications and/or agreements before bringing any horse upon the respective Association's grounds. In the event of a conflict between these conditions and an Association's Stall Agreement, the provisions of the Association's Stall Agreement shall govern. Without limiting the generality of this paragraph, the Applicant consents and agrees to abide by all provisions of the Rules for Advertising (including, without limiting, Rules for Jockey Advertising) for each Race as promulgated by the Association hosting that Race.

In making this application to participate in Thoroughbred racing, it is understood that an investigative report may be requested whereby information is obtained through personal interviews with third parties. The request may include information as to the Applicant's character, general reputation, personal characteristics, mode of living or such other information as may be relevant to the Applicant's integrity as a racing participant. The Applicant shall have the right to make a written request to an Association within a reasonable period of time for a complete and accurate disclosure of additional information concerning the nature and scope of the investigation.

Each Association reserves the right to start all Races with or without a stall gate starting machine. Each Association reserves the right to cancel any Race, without notice, at any time prior to the actual running thereof, without liability, except for the return by the canceling Association of fees as described herein.

In the event of cancellation of a Race or the revocation of, or refusal to accept an Applicant's nomination, entry or stall application, or denial of the right to start a Race, the Association taking such action shall return to the Applicant all entry, starting and supplemental fees received by the Association and one-third (1/3) of the nomination fee paid by the Applicant and shall have no further liability to the Applicant as a result of such action.

Each Association shall have the right to make all decisions regarding preferences and conditions with regard to its respective Race in its sole and absolute discretion and its decision shall be final.

Each Association reserves the right, in its sole and absolute discretion, to refuse, cancel or revoke any nomination or entry, stall application or Stall Agreement or the transfer thereof and reserves the right to deny the right to start in a Race, without notice to the Applicant and for any reason, including but not limited to, the Applicant's failure to fully perform or abide by all provisions and conditions hereof.

The Applicant hereby consents to and agrees that in the event any litigation is instituted which involves Churchill Downs Incorporated, the Applicant is subject to jurisdiction and venue in the courts of Jefferson County, Kentucky, and in the Federal Courts of the Western District of Kentucky. In the event any litigation is instituted which involves The Maryland Jockey Club of Baltimore City, Inc., the Applicant hereby consents to and agrees that the Applicant is subject to jurisdiction and venue in the Circuit Court for Baltimore City, and in the Federal Courts for the District of Maryland. In the event litigation is instituted which involves The New York Racing Association, Inc., the Applicant hereby consents to and agrees that the Applicant is subject to jurisdiction and venue in the Supreme Court of New York, County of Nassau, and the Federal Courts for the Eastern District of New York.

Churchill Downs Incorporated reserves the right, in its sole and absolute discretion, to accept nominations without timely payment of required nomination fees or receipt of an executed nomination form. The inclusion of a horse's name in the publicly released list of nominees to the Races shall constitute prima facie evidence of the Applicant's nomination, obligation to pay all nomination fees and consent to all of the terms and conditions of such nomination. The Applicant shall be responsible for payment of all fees including, without limitation, the nomination fee. The Applicant is liable to and shall reimburse Churchill Downs Incorporated for any costs, damages or expenses incurred by it, including reasonable attorneys' fees, in collecting any unpaid nomination or other fees.

2. Release and Indemnification.

In consideration of the Applicant's admission to each Association's facility, the Applicant hereby releases the Association from all claims for loss or damage of, or injury to, or death of any persons or property (including horses as well as loss of use of property) sustained by the Applicant and/or its

invitees and/or the property owned or under the control of the Applicant located at the Association's facilities. The Applicant recognizes the risks of its activities to be undertaken at the Association's facilities and it has inspected and is familiar with each Association's facilities and does voluntarily and fully assume all risk of loss, injury, damage, death or destruction to any person or property. This release and assumption of risk provision shall not be effective as to any cause of loss attributable to any intentional, willful, grossly negligent, or reckless conduct of the Association.

The Applicant further agrees to protect, indemnify and hold harmless the Association (or if indemnification is not available, to contribute to the Association's losses) from and against any loss, damage, claims or expenses (including reasonable attorneys' and other fees), arising directly or indirectly from any acts or omissions of the Applicant, or any of the Applicant's horses, or any agent, employee or invitee of the Applicant, arising out of or in connection with the Applicant's activities at the Association's facilities.

The foregoing release and indemnification provisions shall be construed in a manner consistent with the limitations set forth herein to be as broad and inclusive as permitted by and in a manner consistent with the laws and regulations of the Association's jurisdiction and shall be binding upon the Applicant, its successors and/or assignees. The maintenance by the Association of insurance relating to the claims released and/or indemnified hereby shall not affect the terms or interpretation of this Agreement and the Applicant agrees that any and all insurers of the Applicant, whether insurers of property, personal injury or any other loss, if their insurance policies do not already so provide, agree that they waive and will not exercise any rights of subrogation in the event of loss of or damage to the subject property, as well as the loss of use thereof, except that any waiver of subrogation will not be effective where such waiver will result in such liability policy becoming null and void. For purposes of this Agreement, the Association shall mean and include the Association and its owners, officers, directors, trustees, agents, employees, contractors, servants and licensees.

Responsibility for the maintenance of general liability and horse mortality insurance to cover the risks outlined above rests with the Applicant. Consultation with a competent insurance advisor is strongly recommended. Failure to maintain adequate insurance may subject the Applicant to the risks outlined above.

3. Reservation of Rights.

As the organizer, host and sponsor of Thoroughbred horse races, each Association hereby reserves unto itself, its agents, assigns and licensees and the Applicant hereby assigns to the Association all interest it may have in the Host Rights, as herein defined. The Host Rights shall mean the sole and exclusive right to: (a) produce, exhibit, sell, license, transfer or transmit in any manner still or motion pictures, radio and television broadcasts, interactive computer including Internet, mobile phones or any other media transmission, now known or hereafter developed, of all events which occur on the Association's property, including without limitation, all activities occurring before, during and after Thoroughbred horse races; (b) utilize the race and the results thereof, all for any purpose or use as the Association shall determine; (c) limit, prohibit or regulate the display of any commercial advertising symbols, or other identification, other than an Applicant's registered silks, in connection with any race or related activities; and (d) develop, produce and sell, by or through any licensee, goods using the Applicant's name or likeness, the name or likeness of any horse owned by the Applicant brought onto the Association's grounds, or any other identifying feature, silks, trademark or copyrighted material which is used in connection with the race. The submission of a nomination or making of an entry in any race (regardless of the method by which such nomination or entry is made by Applicant or accepted by the Association) shall mean that the Applicant consents to the above reservation of the Host Rights and consents to be photographed or to otherwise be a subject of still or moving pictures, radio or television programs, without remuneration except for contributions to horsemen's purses from wagering on the races as established by contract or legislation. The Applicant agrees that he has not and will not execute any documents or take any other action, which purports to assign or otherwise transfer any interest in the Host Rights or assert any claim, demand or cause of action against the Association which is inconsistent with the full and exclusive exercise by the Association of its Host Rights.

4. Definition of Applicant.

As used herein, "Applicant" shall mean and include the nominating owner(s) and the owner's agents, trainers and jockeys and their agents, heirs, representatives, successors, next of kin and assigns; provided, however, that the rights and benefits of the Applicant under this Agreement are personal and no such right or benefit shall be subject to voluntary or involuntary alienation, assignment or transfer. The Applicant covenants that all of the above persons have agreed to the foregoing conditions and further agrees that it will deliver their written consent and agreement to such conditions upon request of the Association. The Applicant shall indemnify and hold the Association harmless from and against any claim or cause of action (including any expense incurred in connection therewith, including reasonable attorneys' and other fees) that may be asserted by or on behalf of any person which is inconsistent with the release and indemnification provisions set forth in the foregoing paragraph.
